

# maxell

Introducing **Bass 13 EB2**, Maxell Europe's new Bluetooth Earphone.  
This rubberised model has a sturdy yet stylish appearance....

The inbuilt audio controls allows you to listen to your music your way, whilst the inbuilt microphone lets you take that call on the go.  
The Bluetooth software allows you check the battery level on your phone so you will know when it's time to charge.

This competitively priced model is the ideal accessory for everyday use.

Comes complete with charging cable.  
Available in two colours; Black and White.
